

## CURRICULUM VITAE

Daniela Fattori

### **I. PERSONAL**

A. Name: Daniela Fattori

### **II. EDUCATION**

1987 Laurea in Chimica at the Università degli Studi di Roma, with an experimental thesis under the supervision of prof. F. De Angelis, 110/110 cum laude. Title of the thesis: "Antibiotici beta-lattamici: sintesi di sostanze aventi potenziale attività inibitrice delle beta-lattamasi".

1992 Ph.D in Organic Chemistry at the University of Lausanne, Switzerland, under the supervision of prof. P. Vogel. Title of the thesis: "Total Synthesis of 3- and 4- deoxyhexoses".

1993 Post-doctor under the supervision of prof. Maurizio Botta, Siena University, with a fellowship from Pharmacia.

### **III. FORMATION**

4-6/05/1994 Effective presentation skills course, IRBM institute, Pomezia, Roma

5-6/10/1994 Structure, Models and Lead evolution, an MRL (Merck Research Laboratories) workshop, Whitehouse Station, NJ, USA;

7/10/1994 Chemical Council Review on Combinatorial Chemistry & High Speed Analog Synthesis, Branchbourg, NJ, USA;

1/11/1995 Merck Young Investigator Award Symposium, MSDRL Rahway, NJ, USA;

11-12/03/1996 MRL Medicinal Chemistry Course, Princeton, NJ, USA;

25-26/03/1997 MRL Biology-Medicinal Chemistry Conference; Whitehouse Station, NJ, USA;

8/10/1997 MRL Symposium on Molecular Recognition, Whitehouse Station, NJ, USA;

5-7/03/2001 MRL Course on Conflicts Resolution.

20/02/2004 Menarini: Building a Successful Team

15/03/2007 Menarini: Managing Scientists

01/10/2008 Selection of parameters that influence the HPLC separations: recent developments

20/11/2008 Workshop: the Business Plan

15,18/06/2009 Eurogestione sul VII PQ

April 2010 Corso per la Certificazione di Project Management (PMI, Roma)

March 2010 Workshop on Advanced Business Plan (BIC Lazio)

Dec 2010 Corso Marketing di base (BIC Lazio)

Jan 2011 Webinar: Social Network per il Business (BIC Lazio)

October 2013: Advanced Course in Pharmaceutical Business (Vienna)

Since Jan 2017 Student of MBA first level

March 2017 : High Impact Presentations training

March 2018: Project Management Essential

Since 2008 Various training courses on European Research Programs

#### **IV. ACADEMIC EXPERIENCE**

- 1988-1991 Assistant in the Institute de Chimie Organique, Lausanne University, with the charge of the winter semester laboratory course for organic chemists;
- 1991-1992 Assistant professor in the Institute de Chimie Organique, Lausanne University, with the charge of the winter semester course for the scientific police;
- 2002 Feb Short course at Siena University, Medicinal Chemistry Department : “The Synthetic Chemist Role in a Biotechnological World”.
- 2003 Jan-May Short course in Medicinal Chemistry (Menarini): 1. Principles of molecular recognition; 2. ADME properties; 3. The toxicity issue; 4. Case history;
- 2004 June Invited speaker at the University of Florence, Chemistry Department.
- 2005 Jan Invited speaker at the University Pierre et Marie Curie, Paris, for the “5ème Journées de Bibliographie” of the Ecole Doctorale de Chimie Moléculaire;
- 2005 Invited speaker at the University of Paris IV;
- 2005 Invited Speaker at the “Doctorate Degree in Chemistry and Technology of Drugs with International and National Profile”, Perugia University
- 2005 Invited speaker at the “Université Européenne d’été, Florence
- 2005 Invited speaker at the 1<sup>st</sup> Indo-Japanese Conference on Advances in Pharmaceutical Research and Technology, Mubay, India.
- 2006 Responsible for the Menarini campus organisation of Progetto Scuole, of Farindustria, for the presentation of pharmaceutical industry to the high school teachers.
- 2007 Invited speaker at Roche, Basel
- 2008 Invited speaker at the University of Rimini
- 2008 Invited speaker at the University of Parma
- 2009, June Invited speaker at “Fragment-Based Lead Discovery Summit”, Select Biosciences, London
- 2010 May Invited speaker at the Siena University on occasion of “Botta’s day”
- 2022 winter semester: Contract professor at the University Campus Biomedico, Rome

#### **V. PROFESSIONAL EXPERIENCE**

- 1987 stage in Ciba-Geigy (Novartis), Basel, Pharma Department
- 1994-1997 IRBM (MSD) medicinal chemist, Medicinal Chemistry Department
- 1997-2001 IRBM (MSD) senior research chemist, Biotechnology Department, with the responsibility of the chemical part in multidisciplinary projects involving molecular biology, pharmacology and enzymology;

2001-2002 Menarini-Ricerche, Lab. Head, Medicinal Chemistry Department, with the responsibility of the Combichem lab. and the Menarini compounds collection.  
2002-2011 Menarini-Ricerche, Medicinal Chemistry Department Head.  
Since Dec. 2007 Member of the board of directors of Lusochemica (www.lusochemica.com), a subsidiary of the Menarini group.  
Since July 2008 Appointed “evaluator” for the FP7 from the European Community  
June 2010 Appointed evaluator for the SoMoPro Programme (Czech)  
2012-2103 Appointed evaluator for the Eureka/Eurostar Programme  
2011-2020 Corporate Licensing Manager for Menarini IFR  
Since 2015 Appointed evaluator for Horizon 2020  
2020 Appointed evaluator for Research and Innovation Foundation, Cyprus  
Since July 2020 Corporate Grants & Funding Manager

## **VI. LANGUAGE KNOWLEDGE**

Italian: mother tongue

English: fluent reading, writing and speaking

French: fluent reading and speaking

German: basic knowledge

Spanish: basic knowledge
