

Curriculum Vitae Omar Dego

Date of birth: 20/09/1984

Nationality: Italian

Data

31/03/2025

Firma

About me: Naval Architect and Marine Engineer with 16 years of experience in new shipbuilding management obtained by combining academic studies and practical working experience. Knowledge of all main components on board a ship (structure, architecture, systems, electrical plants) and of planning/management of new projects. Particular desire for learning, including aspects not strictly related to performed studies but that could increase personal and professional knowledge.
